Labor and Employment Law

The 2005-2006 edition is the eleventh edition of *The Best Lawyers in America*. Since its inception in 1983, *Best Lawyers* has become universally regarded as the definitive guide to legal excellence in the United States. Because *Best Lawyers* is based on an exhaustive peer-review survey in which 16,000 leading attorneys throughout the country cast more than a half million votes on the legal abilities of other lawyers in their specialties, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in *Best Lawyers* is considered a singular honor. *Corporate Counsel* magazine has called *Best Lawyers* "the most respected referral list of attorneys in practice."
