

After Work

Each summer, our attorneys and summer associates get together outside the office for evening and weekend events. We plan a variety of activities that allow summer associates to interact with attorneys and experience all aspects of Southeastern Louisiana's rich cultural heritage. In keeping with the firm's commitment to our communities, our summer associates are also given the opportunity to participate in community service projects. More information about our social activities and events can be found in our recruiting brochure, linked below.
