

As the Gulf Coast recovers from the devastating effects of Hurricanes Katrina, Rita and Wilma, the attorneys of Jones Walker wish to express their heartfelt gratitude to the people of all of the communities who have been so welcoming of our attorneys and staff. Thanks to their support, Jones Walker has been able to continue its operations and to be of assistance to others who have been impacted by these hurricanes and their aftermath.

To assist our clients and the impacted communities with the recovery, Jones Walker has formed an interdisciplinary task force to assist clients with their efforts to recover from Hurricanes Katrina, Rita and Wilma. The Disaster Recovery Client Team offers assistance with a focus on insurance coverage, tax incentives and abatement, employment law, corporate reorganization and bankruptcy, FEMA and federal disaster assistance, SBA business claims, environmental and clean-up, real estate and construction. Call any of our offices and ask for a Disaster Recovery Client Team member.
